Dear Precious Followers of Jesus Christ,

We are lifting you up to the Lord while you and we are going through the refining fire that will cleanse our minds of every thought that distracts us from the highest calling of our King and Savior Jesus. And that calling is to leave the ninety and nine and go search and find that lost sheep and bring them into the Kingdom of God, because there is still more joy in heaven over one sinner that repents than the ninety-nine just who need no repentance.

On June 2nd the Lord is sending me to Papua New Guinea, to search for some of those lost sheep. You can find New Guinea on the map just above Australia. There are over eight hundred languages in that region but one of the most common languages is Pidgin English. Vaughn, my son, has worked hard to get me set up with the Gospel and short films in that language to show as I go up rivers and into the jungle or where ever the Holy Spirit leads. The Lord has kept my body very healthy so I must use it for His Glory every chance I get. Other missionaries have preached the gospel in New Guinea for many years, but they have not yet heard my testimony.

There are so many precious brothers and sisters in Christ, from all over the world that want me to come and be with them and some times it overwhelms me. Here is an example from the Pokot tribe in Kenya Africa.

Larry wrote 2/17/13 8:00am>Dear brother Benjamin I'm so happy to hear from you. I pray that this letter finds you and your family in good health and eating good food and warm in your beautiful home. Please tell my Pokot brothers and sisters how much I love each and every one of them. I am so happy that one day Jesus God's Son told me inside my heart and my mind to go tell the Pokot people how much he loves them and how much He wants to live in their heart and in their minds too.

>The evil devil tells us we will never be good enough to have God's Holy Spirit live in us but he is a liar. We know the good news, that even though we make mistakes and are not perfect, God sent His Son Jesus to die on the cross for the bad things we have done, to make all the people who believe this good news clean and so perfect that God Himself will come and live inside our hearts and minds. Yes, and now Jesus even calls our bodies His Holy Temple and He also gives us the Holy Spirit to be our teacher and tell us where to go and who to talk to. That is why He sent me to you, to be a living example of this truth. So now YOU are His church building, a living building filled with God the Father, God the Son and God the Holy Spirit. Yes you are filled with all His power, if you believe you are! Then you can use His power to make bad thoughts leave your mind. You don't even need a man like me to teach you these wonderful truths; the Holy Spirit who lives in you is the only true teacher there is in the world.

When Jesus left this world and went back home to be with His father, He told those who believed the same thing. He said I will not leave you alone but if I go I will send you another leader. He is the Holy Spirit and He will lead you and guide you and teach you. But the people who don't believe will not be able to follow Him because they can't see Him. The people who belong to this world can only follow men who call themselves leaders, and buildings they can see with their eyes, but we who belong to JESUS follow what we can't see with our eyes but what we feel in our hearts. And we know one day we will go

to our real home in heaven and leave these bodies like old clothes and go into our spiritual bodies like new clothing. Yes we are really spirits with souls and we live in these bodies only a little while.

This is just one example of how we keep in touch and continue to minister to those that we have gone to in the past. Thank the Lord for email, Skype and the telephone.

I will be leaving for New Guinea on June 2<sup>nd</sup> and returning on Aug. 3<sup>rd</sup>, God willing. I always leave the door open for God to change things according to His will. I covet your prayers for this trip; for souls to be won into the Kingdom of Christ and also for protection from the elements and any plans of resistance from Satan. I will be taking you all with me in the spirit, so you will be a part of this trip. We thank all of you for your prayers and support for this ministry; we couldn't do it without you. May God richly bless you back for all you do. We send our love and prayers out for you all too.

As always, busy in the Lord's work,  
Your brother in Christ,  
Larry

From Betty:

Dear Brothers and Sisters,

I hope this letter finds you all well. Just wanted to share with you how thankful I am for your prayers for me. I have felt them and they have sustained me so much in these past few months. I have been almost constantly caring for my Mom and Dad as their health problems have increased. I am so happy to serve them as I feel it is my calling at this time in my life and God has given me the strength to do it; along with your prayers. I'm sure many of you have been experiencing some trying times yourselves, and I have been holding you up in my prayers also.

Thank all of you who help us in Goff Ministries, as we each serve God in our unique callings. May the Lord bless you for your love, we love you too.

So I will close for now, asking again that you keep Larry in your prayers. New Guinea is still a very backward country where many of the tribes are still steeped in darkness, witchcraft and a past history of cannibalism. I know God will be with him, but Larry still needs all of us backing him in prayer too. In Christ, Betty

Vaughn here. I just want to say thank you all for your continued support for this ministry. Work at The Good News Camp continues as usual and God is continuing to care for us and those that come to us.

I also want to take this opportunity to ask anyone who would like to receive our newsletters via email as well as our email updates to sign up for our email list. Over the last couple years our email list has dwindled to less than 20 addresses due to people changing their address. If you would like to be on our email list, please send me an email at: [Vaughn@goffministries.org](mailto:Vaughn@goffministries.org). As always, I promise to only send emails pertinent to Goff Ministries and not a whole lot of them at that.

Before I go, I want remind you that the camp is always available for personal spiritual retreats and counseling. Irene and I would love hear from you or have you come by and visit us if you are in town. In 2013, we are praying that the Lord will send to us those that are truly seeking God with all their hearts. Those that seek truth and are ready to be disciplined into spiritual warriors for the Kingdom of God. Please pray with us.

Well, that's all for now. I pray God's rich blessings upon each of you in Jesus' Mighty Name.

Standing Strong for Christ as a light in the darkness,  
Vaughn, Irene, Ephraim and Benjamin.
